

WHAT EVERY PRESCHOOL CLASS SHOULD INCLUDE

PLAYTIME

Playtime is important, because play is a child's work. Playtime is an excellent time to begin teaching social skills. It is also helpful for children that are reluctant to leave their mom - it is a way to show them how fun your class can be.

COLORING PAGE

The coloring page should go along with the Bible Story for that week. This is an easy introduction into the lesson and a great take home piece. As the children are coloring talk about the picture they are coloring. Ask them questions. **Every moment is a teachable moment.**

BIBLE STORIES

The Bible stories begin the foundation you will build upon. Remember to focus on the principles behind the story. There are different ways to tell Bible stories, drama, flannel graph, and video.

OBJECT LESSON

By taking an everyday object, game, craft, food or activity children are familiar with, you can take a main core idea that you are trying to teach and break it down into bite size pieces.

IF YOU LEARN HOW TO USE THESE TOOLS DURING YOUR CLASS TIME YOU WILL HAVE SUCCESS MINISTERING TO YOUR PRESCHOOLERS. MORE AT WWW.SUPERCHURCH.COM.
